

The screenshot displays a web-based patent search interface. On the left, there is a sidebar menu with categories like "Claims", "Abstract", "Description", etc. The main area shows a search result for a patent titled "Digital audio source and method of adjustment and power off control". The patent number is US 6,800,000 B2. Below the title, there is a table with columns: Document ID, Issue Date, Title, Current OR, Current XREF, Retrieval Class, Inventor, and Image. The first row of the table contains the following information:

Document ID	Issue Date	Title	Current OR	Current XREF	Retrieval Class	Inventor	Image
US 6,800,000 B2	10/07/99	Digital audio source and method of adjustment and power off control	200010			Mikami, Hiroshi	

At the bottom of the page, there are links for "Full Text" and "HTML".
